

NORTH WARD WAKE UP

OUR NORTH WARD COUNCILMAN has again resorted to professional "politics" in trying to pull the wool over our eyes.

He has used your children, your PTA, and its president as pawns to deceive us..

He tells you that Ridge Street School is now "designated" as a K-8 grammar school.

He fails to tell you; what building will house the classrooms, and more important, what students will make up the first eighth grade class?

Your president was used by this man. Ask him who paid for that letter he passed around?

The PTA president stated at the meeting, and we quote, "... there will be bussing for one year" end quote.

BUSSING!!!! - FROM WHERE? - THE SURROUNDING AREAS?

Is this the VICTORY for RIDGE STREET that they speak of?

Our Councilman said, " CARRINO promises - He produces.

WHO IS THE COUNCILMAN? What has he produced for you in the last four years? YOU need the eighth grade at RIDGE STREET, YOU do not need BUSSING. BEWARE.

YES, I will make a promise; not to use YOU, YOUR CHILDREN, YOUR PTA, and I will never use any person as a pawn.

ON MAY 14, 1974 ELECT ANTHONY CARRINO NORTH WARD COUNCILMAN.
